

MEMORANDUM OF UNDERSTANDING  
PROVIDING FOR MUTUAL AID COMMUNICATIONS BETWEEN  
THE FEDERAL AIR MARSHAL SERVICE AND THE PORT OF SEATTLE

This document is to serve as a Memoranda of Understanding (MOU) between The Port of Seattle and The Federal Air Marshal Service authorizing use of The Port of Seattle's 800 MHz trunked radio system talk groups for mutual aid communications.

The Port of Seattle will allow access to The Federal Air Marshal Service to the following talk groups:

<u>TALK GROUP NAME</u>	<u>DESCRIPTION</u>
POS-PRIM	Dispatch/Working Channel
POS ADMIN	Administrative ("car-to-car")
POS TAC1	Tactical Channel
POS TAC2	Tactical Channel
POS TAC3	Tactical Channel
POS TAC4	Tactical Channel
POS MA	Shared Mutual Aid Channel
POS LE1	Encrypted Tactical
POS LE2	Encrypted Tactical
POS LE3	Encrypted Tactical
POS LE4	Encrypted Tactical
POS LE5	Encrypted Tactical

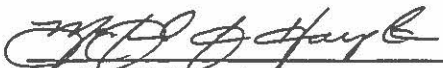

The Federal Air Marshal Service is cautioned that the use of The Port of Seattle's 800 MHz trunked radio system talk groups is only for purpose of mutual aid communications and use of these talk groups for routine communications is not permitted. Additionally, should a radio be lost or stolen, The Federal Air Marshal Service shall report the lost or stolen radio ID to The Port of Seattle as soon as possible.

Information and resources shared as part of the radio programming process will be treated as confidential information by all agencies involved.

This MOU will remain in effect until withdrawn by The Port of Seattle. This MOU shall be reviewed and renewed after five (5) years from acceptance by The Port of Seattle and The Federal Air Marshal Service.
